## Republican Convention.

The delegates selected at a mass meeting of republicans last July met last night in Schuler's Hall for the purpose of nominating a candidate to represent this city and county in the Legislature. Most of the delegates were present, but several heretofore earnest members of the party, officeholders and ex-officeholders, were conspicuous by their absence. Four members of the colored race entered the hall, surveyed their surroundings and went back in the northeast corner of the room and sat down, and remained silent spectators.

F. M. Phillips, chairman of the city committee, called the gathering to order and announced its object, after which W. C. Shelley, of Alexandria county, was called upon to preside. The latter repaired to the stage and acknowledged the compliment bestowed upon him, and spoke for a few moments in an optimistic vein during which he indulged in dreams of the success of his party. Heretofore, he said, the party could entertain no hopes of victory in Virginia "but by the providence of God in the fulness of time the day is dawning and the sun is rising above the hills."

H. C. Graves was called upon to act as secretary, after which a committee on credentials was appointed—3 from the city delegation and two from the county. The committee soon reported, and, there being no contests, the committee proceeded to work.

F. M. Phillips nominated John B. Henderson, of Alexandria county, as the republican candidate for the Legislature, and no other names being suggested his nomination was made unanimous. A committee escorted the nominee to the stage, and he in a short speech thanked the convention for its expression of confidence. He also spoke for a while on present conditions in Virginia which he supposed the republicans could improve upon should the unlikely occur and the State be turned over to them.

W. B. King, of Loudoun, was subsequently called upon to speak, and he responded on the same lines.

During the meeting F. M. Phillips read a letter he had received from Chairman Sloop admonishing republicans to hold aloof from the primary election in this city on the 12th proximo. A letter from W. H. P. Kelly endorsing J. B. Henderson for the Legislature was also read.

Before the adjournment of the convention W. C. Shelley was again called upon to speak and he responded.

The republican nominee for the Legislature is a son of ex-Senator John B. Henderson, of Missouri.

## Wharf Property Sold.

Messrs. M. B. Harlow & Co., real estate, loan and insurance brokers, have sold for the estate of Wm. H. Irwin et al., to Mr. Park Agnew, that valuable wharf property at the foot of King street, and known as Irwin's wharf, including all the land bordering on the Strand from the south side of King street and west side of the Strand to the alley running from Union east to the Potomac river, including all riparian and dock rights which this property is entitled to, being the most valuable wharf property in the city on account of its location. It is the intention of the purchaser to apply at the next meeting of the City Council for a similar privilege to that which was granted to the Norfolk and Washington Steamboat Company, which will enable him to make the same class of improvements at the foot of King street which this company has done. He also has under consideration the advisability of erecting buildings south of King street to be used for business purposes, and rebuild the wharf, as he has had a proposition from a steamboat company to lease the same for a term of years. This is the first time that this property has changed hands in 120 years.

## Annual Inspection.

The annual inspection of Old Dominion Commandery, Knights Templar, was made last night at Armory Hall by Inspector Baker, of Winchester, who was accompanied by Sir Knights Kern, Dooley, Breckinridge and Florrell. After the inspection, which was creditable in every particular, the commandery, headed by the Alexandria Drum Corp, marched to King street and as far west as Fayette street, where they counter-marched and repaired to their assembly. A banquet was subsequently given in Alexandria-Washington lodge room, Rammel Bros. were the caterers. There were 69 members of the commandery at the inspection, and there is a total membership of 142. Members of Old Dominion Commandery are scattered over most of the habitable world, some being in the Philippine Islands.

## A Just Complaint.

The changing of railroad connections, made necessary by the new routes as recently established by the trunk line railway systems, has created many disadvantages to Alexandria and the contiguous country. Daily complaints are being aired from various sections of the adjacent counties. The latest and very just complaint comes from those who live along the highly cultivated farms that border upon the Telegraph road. The owners of these farms, who are garden truckers, milkmen and vendors of farm products for city life, openly state that when a junction is made on the Telegraph road with the new system that locomotives are often detached from trains which are left standing, uncoupled, across the highway and thus block the common highway at that point for more than half an hour while the locomotive goes to Alexandria, picks up additional cars on trackage list, and returns to the point of obstruction, where it backs and fills and eventually allows a countryman to pass. County authorities will be called upon to make representation of the grievance and seek a proper remedy.

## "Humpty Dumpty."

"Humpty Dumpty", a spectacular pantomime show, will appear at the Opera House Monday night. George H. Adams will appear in the title role, and the whole show is one grand combination of pantomime, comic opera and vaudeville. Elaborate scenery will be displayed and a cohort of pretty show girls will interpret the lines and musical numbers. Among the features of the production are the "Dance of the Butterflies" and the great mystery, "Eve, or the Birth of Woman". The electrical effects will be most brilliant and the company is one of the strongest amusement combinations now touring this circuit.

## Missionary Society Meeting.

As has heretofore been stated in the Gazette, the annual meeting of the Woman's Foreign Missionary Society of the Baltimore Conference will be held in the M. E. Church South tomorrow. At 11 a. m. Rev. E. V. Register will preach. A children's meeting will be held at 3:30 p. m. and there will be talks by the missionaries at 7:30 p. m. There will be devotional services at 9 a. m. Monday, followed by a business meeting at 9:30. The society will meet again at 2:30 p. m., and there will be services at night. The sessions Tuesday will be at the same hours.

## Fined Fifty Dollars.

The only case for trial in the Police Court this morning was that of Thomas Sims, an employee of the Southern Railway Company, who was charged with appropriating goods which were being transported by the company. The arrest was made by Officer Knight, and a number of articles which had been taken from cars were recovered. Sims was fined \$50 and should be fail to pay the assessment he will serve 90 days in jail.

## Property Sale.

Messrs. M. B. Harlow & Co., real estate, loan and insurance brokers, have sold for Mr. E. W. Starnell to Mr. E. M. Anderson the business property formerly owned by the late John P. Clarke, situated on the south side of King street, between St. Asaph and Washington. It is Mr. Anderson's intention in the near future to handsomely improve this property.

## Time's Up.

The date fixed by the city democratic committee for candidates for clerk of the court to announce themselves expires today, and only Messrs. Charles Bendheim and N. S. Greenaway have handed in their names as such to the secretary. An active canvass is still being made by the two gentlemen named and their respective friends, which will be kept up till the primary on October 12.

## Cutting Mt. Vernon Hill.

The engineers in charge of the Washington, Alexandria and Mt. Vernon railway are now preparing plans for cutting through the steep hill from Little Hunting creek to Mt. Vernon, and it is stated that the work of regrading the road will be started in a few days. Mt. Vernon hill is the steepest grade on the road.

## To Command the Butord.

Capt. Michael Robb, for many years a well-known steamboat captain on the Potomac river, has been appointed to the transport service of the United States army. Captain Robb will be put in command of the transport Buford, at Fort Moultrie, in Charleston harbor. He is now on his way to Charleston to enter upon his new duties.

## Shot at Brother.

George Lomax, colored, was taken in to custody this morning by Officers Mayhugh and Lyles on the charge of firing a pistol at Andrew Lomax, his brother, during a quarrel in the northwestern part of the city. The bullet went wide of its mark. Lomax will be tried Monday.

## Jewish New Year.

All the Jewish residents of the city gathered last night in their synagogue on north Washington street to participate in the services incident to New Year. Rabbi Gross, of Cincinnati, conducted the services and delivered an appropriate discourse.

## Quarterly Meeting.

The First Quarterly Meeting of the Free Methodist Church will be held tomorrow. There will be preaching at 7:30 p. m. by District Elder Rev. A. G. Miller. Preaching at 11 a. m. There will be love feast at 2:30 p. m.

The schooner J. P. Robinson, loaded with lumber by Smoot & Co., has sailed for the lower river.

## Strikes Hidden Rocks.

When your ship of health strikes the hidden rocks of Consumption, Pneumonia, etc., you are lost, if you don't get help from Dr. King's New Discovery for Consumption, J. W. McKinnon, of Tallahassee, Fla., who was very ill with Pneumonia, under the care of two doctors, but was getting no better when I began to take Dr. King's New Discovery. Rice, former pastor of the Second Presbyterian Church of this city, had been elected president of the Presbyterian Theological Seminary at Columbia, S. C. Mrs. Clarence Mills and daughter have returned home from Baltimore, where they have been visiting Captain Hewitt and other relatives and friends.

## Revenue Office Removed.

The office of the U. S. Internal Revenue Collector which has been located in this city for the past eight years, was removed today by the newly appointed collector, L. P. Summers, to Abingdon, where it will remain only till the next collector is appointed, for certainly no one save Messrs. Summers and Sloop would want the office at Abingdon. Those who left here today for Abingdon were Chief Clerk W. M. Sloop, Mrs. Flood, Mrs. Tinsley, Messrs. G. W. Grayson, George Patterson, John Herndon, R. W. Blair, A. H. Agnew and M. Bowen. Mr. Summers has not been in this city for some time. It is understood that so much in a hurry was he to remove the office that he made no provision for having a stamp duty here and arrangements had to be made at the Treasury Department in Washington for selling stamps there for the business in this city and county.

Mr. A. K. Stratton, who has been connected with the office since its removal to this city from Lynchburg, did not go to Abingdon, he having resigned to accept a position with the Southern Railway Company.

The office was stripped of furniture and even the carpets were carried off. A blanket order came from the Treasury Department for the removal of the office, and under it the new collector claimed everything; he even wanted to take the chandeliers and gas fixtures, in which attempt he failed.

## For a Pleasure Resort.
